

HAMPSHIRE GUNDOG SOCIETY
Open Show 20.03.2016

First and foremost, I would like to present my sincere apologies for the terribly long delay forwarding this report. As some of you will know I have had quite a change in my life which has included an in-between move. Boxes that I had not intended to open until we find our final home have been searched thoroughly and I have finally got my hands on my judging material. I would also like to thank everyone for having offered me such a lovely entry – it was a pleasure going over your dogs.

3rd Soltau's Newbury Star

Post Graduate 2-0

1st Porter's Winnellands Loves Passion

Nice yellow bitch with good movement, top line and tail flowing. Short coupled with nice angulations at back – Front angulations could be better which would also offer a better reach of neck. Her coat was too soft for the breed standard. Nice head and expression.

2nd Hobbys Icarus Rhinestone Cowboy

Limit 1-0

1st King's Linthwaite Cosette

Lovely yellow bitch with a sweet head and expression. Good front, slightly overweight for my taste. Good neck, level top line, correct tail, back angulation. Right hock not solid and straight when on the move, otherwise plenty of drive.
