German Longhaired Pointer

Open (1,0)

1st Speck's Sarscottah Astro. 2yr D. Standing alone but a worthy winner and thought he deserved to do better in the group than he did. Good head shape and proportions with dark eyes, nice ears and a cheeky expression. Well made front with laid back shoulders, good bone and neat feet. Good angles to his well muscled rear and correct tailset. Playing his handler up on the stand and a little sluggish on the move in the breed but looked a different dog in the big ring where he showed lovely reach and drive. **BOB**

Post Graduate (2,1)

1st Nagaty's Boyers Scherzo by Marlbeck. This 5yr D was so naughty today and gave his handler such a hard time. Nice size and shape with level back but drops away over the croup. He has a good head, masculine and of correct shape and proportions with a nice dark eye. Good depth to chest and loin. Good turn of stifle. He really enjoyed himself on the move but did show he can move with good drive and did go better for his second handler in the challenge.

Limit (3,0)

1st Nagaty's Forester's Xclusive Edition at Marlbeck (Imp Deu). 3yr B. Just won a close contest in the class. Like her head, feminine and with correct shape & proportions. Correct length of neck flowing to well laid shoulders over well sprung ribs of good depth. Straight front with good bone and neat feet. Short loin and level topline with good tailset. Correct rear angles. Matured since I last judged her and shown today in a good coat. Lovely to watch on the move, correct reach and drive and true coming toward which was the small deciding factor between 1 & 2 today. **RBOB**

1st Hunt's Wakaduze Zigi. This young lady stood out for me today once I got my hands on and saw her move. On the stand she is young, and today a little bum high but her construction is a joy to feel. Lovely head of correct shape with nice eyes and ears. Super front assembly, well laid shoulders and return of upper arm gives her nice forechest. Good depth and spring of rib that extends back to a short deep loin. Lovely rear angles, muscle developing, level topline and correct tailset and carriage. True coming and going with good reach and drive. Should do well. **BP.**

1st Anstead's Sh Ch/Bel/Lux/NL/Int Sh Ch Riverwatcher Atka CW'16, BWNL'14/16, BWBE'15. The opening statement from the breed standard calls for a "*Medium sized, compact. Powerful, well muscled. A heavily feathered tail, constantly moving.*". That sentence sums up this 4yr old boy. Super shape and outline, correct wedge shaped head with well set ears. Excels in front assembly with laid back shoulders over well sprung, deep ribs. Short loin to correctly angulated, well muscled rear. Level topline and correct tail carriage.
