

Hampshire Gundog Club Open Show 26th July 2015

Gordon Setters

Puppy (3)

- 1 Horler's Kintalis Winter's Knight
Promising youngster of 7 months. Balanced head with good eye colour and well set ears, straight front, well balanced body with a good bend of stifle, carrying enough weight but moved well in the space available. Enjoying his day, should do very well as he matures.
- 2 Hall's Melview Moving Time
- 3 Hall's Melview Just in Time

Junior (1)

- 1 Watson and Roberts' Kyuna Believe in Magic by Moonglade
16 months girl, well-shaped feminine head with good eye colour, good reach of neck leading into well placed shoulders, strong quarters which she used to advantage on the move. Reserve Best of Breed

Graduate (2,1)

- 1 Watson and Roberts' Kyuna Believe in Magic by Moonglade

Post Grad (1)

- 1 Tye's Kyuna Olympic Arrow of Tymora
Another good one with a typical, well-balanced head and good ear placement. Strong neck of good length, long sweeping stifles, good deep tan markings. Did not really extend himself on the move. Would like to see him outdoors.

Open (2,1)

- 1 Horler's Sh Ch Lourdace Stable Lad at Rackens
Impressive mature boy of 4 years. Looked the part. Masculine head but not overdone in any way, strong neck with straight front and well-laid shoulders. Good depth and width of chest, well angulated quarters, in full coat. Moved well to take Best of Breed.
Delighted to hear that he went on to win Best in Show. Well done!
