**Welsh Springer Spaniels**

**Special Yearling** (2.1a): 1<sup>st</sup>. Mrs.J.McCann's SLAPESTONES TIDAL FORCE

Young dog with pleasing head. Neck well laid into strong shoulders. Impressed with muscle tone. Did not disappoint when on the move holding topline well.

**Post Graduate** (2.): 1<sup>st</sup>. Mrs. B. Gills' STAGARTH DON'T STOP ME NOW AT BRENROS  
Was impressed with him when I last judged him and pleased with the way he has developed. Balanced throughout with good bone. A bit reluctant today to show how I know he can move. **R.B.O.B.**

2<sup>nd</sup>. Mrs.C. Jackson's CATJACK DEARIEME

**Open Dog/Bitch** (3.1.a): 1<sup>st</sup>. ISFRYN HOCUS POCUS JW

When I last saw this young lady she was full of puppy exhuberance. She has now settled and developed into a beautiful Welsh Springer. Well presented in good coat and condition with a fully balanced conformation. Hind angulation meant that she covered the ground with ease holding a perfect topline. **B.O.B.**
