Large Munsterlander

Puppy(1)

1. Marshall's Wonglepong Avenger Tigr - 11month old young bitch, still very raw and not making her handles life very easy. Feminine head, good lay of shoulders and straight front with strong pasterns, short coupled, moved well when she settled. RBOB and BP

Open (2,1)

1. Disney's SH CH Wonglepong Wills Faramir upstanding male, masculine balanced head, long muscular neck leading to well laid back shoulders, deep chest, good spring of rib with short muscular loin. Good turn of stifle and hocks well let down. Moved straight front and rear. BOB

Nova Scotia Duck Toller Retriever

Puppy(4,1)

A class of four young puppies all at different stages of their development.

1. Dorrell's Tollisty Mort En Chandon – 8 month old young dog and the most collected on the move today. Typical head shape, shoulders well laid back, deep chest and good spring of ribs, hindquarters well muscled and hocks well let down. RBOB and BP
2. Favre-Whitmore & Street's Stellenbosch Discors Avec Laulaco – dog 10 months old not the overall shape of the first or the topline at present. Head broad with moderate stop, straight front with strong pasterns, hocks well let down, moved ok but needs to settle in front movement.
3. Byrne's Acadiabyrne Mexican Fire

Special Yearling (2)

1. Ryder's Arthundur Dream Come True – overall well balanced dog with true toller head, good bone, straight front, shoulders well laid back, deep chest with ample spring of rib, hindquarters well muscled and hocks well let down. Shown in excellent coat and condition, moved well with correct head and tail carriage. BOB
2. Siwa's Annymels Story Glenmor – dog longer in body than first, masculine appealing head, moderate stop and well place ears and kind expression. Shoulders well laid back, good spring of ribs. On the move would prefer more drive from the hindquarters.
