POINTER

SY 1

1. Cardiff's TENSILLING LET'S PRETEND WITH PROSPERITY, pleasing body shape in correct coat, good strength of bone standing on correct feet. Well set tail on correct croup. Sound behind and moved with style in profile.

PG 1

1. & BOB, Cardiff's FREEBREEZE PIXAR AT PROSPERITY, an elegant example of the breed and moved with purpose in profile indicating correct conformation fore & aft. Pleasing length of neck & a well laid shoulder, good depth of chest, pleasing underline.

O 1

1. & RBOB Goodwin/Smallwood's TYREMY GLORY DAZE, pleasing make & shape with kind eye and correct clean bite. Good clean length of neck, good length of ribbing, well angulated rear quarters, would have liked a straighter hock when stood. I just found her front movement a little choppy today.
